## **SURPRISE DROP**

-----

**Some drops are unexpected and very disappointing!**

**The following charts show what may be an unexpected disappointing seasonal drop happening now.**

The seasonal drop in the piece of gold and silver shares may be more than expected. The wave two decline just may equal the width of the triangle. A decline that large may surprise and disappoint seasonal expectations.

“Oh my word! Is there *anything* more catastrophically tragic than a dropped ice-cream? For what was only a fleeting moment, a child held a single scoop of pure happiness in her hand. It was everything - the excitement, the anticipation, the wonder of the cool, delicious bliss to come. And then? *Splat*. In an instant, the child's entire world is unceremoniously spattered across the unyielding pavement. Oh one almost weeps just thinking about it.”
