What is all the fuss about? Gold has been making higher highs and higher lows at every appropriate Delta Long Term turning point since the bull market began at \$255. 80. The Delta turning points are for subscribers to my letter. That is why they are not posted on this chart. If you would like to have the Delta turning points for gold, silver, and the HUI a subscription to my letter is \$35.00 a month. Higher highs and higher lows, what more could any investor want? Oh yes. Those who follow this Delta gold chart have one major question and this is it: [Download](#)
